Dear Keith:

Over the past five years, we at McDaniel College have shown our commitment to the role that educators play by offering a unique scholarship that directly benefits your staff and their families.

Our **Educator's Legacy Scholarship** has recognized elementary and secondary school employees by providing scholarships, valued at up to \$100,000, to McDaniel College for all children of K-12 school employees. Any service qualifies, such as teachers, administrators, counselors, nurses, or support staff, as long as the employment is directly through the school.

I am pleased to share that we have decided to **increase the amount** of this scholarship for future families. The Educator's Legacy Scholarship will now be awarded at an annual rate of \$30,000* per year, which makes this among the **largest scholarships** offered at McDaniel.

Again, this scholarship is guaranteed to all students who are eligible to receive it. This means that any child of a K-12 employee who is admitted and maintains continuous enrollment at the college will receive a scholarship **worth up to \$120,000** during their four years of study. There is no limit to the number of Educator's Legacy Scholarships awarded each year.

U.S. News has consecutively recognized McDaniel as the #1 "Best Value" in the region for academic quality and affordability. And excellent teaching is McDaniel College's priority and legacy. Not only do our expert faculty mentors empower our students to achieve their personal best, but we are also proud of our longstanding tradition of producing top educators on both the national and state levels.

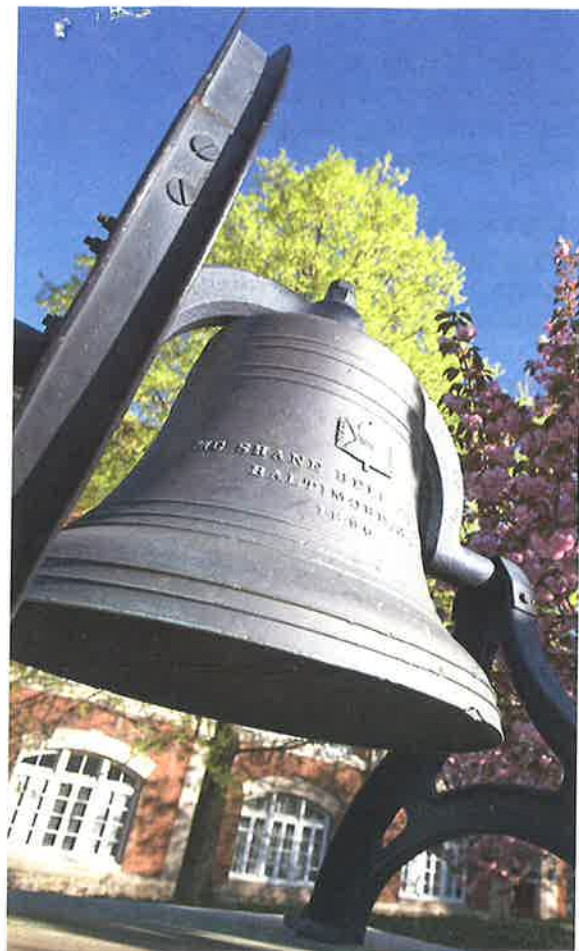

I hope that you will share this information with all of your employees so that they are aware of this amazing opportunity for their children. Enclosed, please find further information about the Educator's Legacy Scholarship that you can distribute. Please email ocm@mcdaniel.edu if you would like to receive these materials electronically.
